---

## **The Possible Benefits of Argentyn 23® First Aid Gel, homeopathic remedy:**

- May reduce topical pain\*
- May calm skin inflammation\*
- Helps fight minor skin infections\*
- May promote healing of the skin\*

---

## **Description**

Argentyn 23® Professional First Aid Gel is a homeopathic medicine for topical pain, skin inflammation and minor skin infections.\* It can help reduce pain quickly, taking the sting out of skin irritations.\* It can calm inflammation, reducing the swelling, redness and heat on skin that often accompany minor wounds.\* And it helps the body to keep skin infection at bay, allowing minor wounds to heal quickly.\*

Argentyn 23® Professional First Aid Gel contains *Argentum metallicum*, or metallic silver, in potencies which are listed in the Homeopathic Pharmacopoeia of the United States (HPUS) as a recognized homeopathic ingredient. *Argentum metallicum* is utilized in this formula as a topical antiseptic, analgesic, and anti-inflammatory.\* It may promote healing of the skin.\*

Argentyn 23® Professional First Aid Gel contains the active homeopathic ingredient at three different attenuations: 10x, 20x, and 30x. Having multiple potencies of the same ingredient enhances the activity of the product on the many levels in which

homeopathic remedies interact with the body.

Argentyn 23® Professional First Aid Gel has a broad spectrum of applications. They include:

- Burning
- Stinging
- Itching
- Redness
- Stiffness and pain from minor wounds
- Burns
- Bruises
- Ulcerations (minor cuts and scrapes)
- Blisters
- Bug Bites
- Skin eruptions from acne, eczema or infection
- Rashes

Additional indications for use of *Argentum metallicum* in homeopathic dilutions are found in the classic texts, Clarke's *Materia Medica* and Boericke's *Materia Medica*.

The *Argentum metallicum* is in a base of silver hydrosol, which may contribute to the effectiveness of the formula.

\*THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

---

**Active Ingredients:** *Argentum metallicum* 10x, 20x, 30x HPUS\*\*

**Inactive ingredients:** Silver hydrosol, Carbomer, Sodium Hydroxide.

**Indications for Use:** For relief of the symptoms of burning, stinging, itching, redness, stiffness, minor pain and minor inflammation, due to minor wounds and burns, bruises, ulcerations, sunburn, razor burn, scrapes, rashes, blisters, bug bites, and skin eruptions from acne, eczema, or minor infection.

**Directions:** Clean affected area. Apply a liberal, consistent layer of First Aid Gel. Leave wet or bandage for optimal results. Repeat 3 times per day or as often as needed to relieve symptoms.

**For Best Results:** Argentyn 23® First Aid Gel is purposely created as a pure, thin gel in order to deliver maximum benefit every time you use it. Apply a liberal layer of the gel in order to allow for consistent, sustained delivery. Leave wet. Do not rub until dry. After absorption, repeat as often as needed to prolong its activity.

**Warnings:** For external use only. Ask a doctor before use if you have deep or puncture wounds, animal bites, or serious burns. Keep out of reach of children. Adult supervision required. Stop and ask a doctor if symptoms persist or worsen after 3 days of use. If swallowed, get medical help or contact a Poison Control Center. Do not use if seal is broken.

Store at room temperature, 68-78°F (20-26°C) and out of direct sunlight.

\*\*HPUS indicates that this ingredient is officially a part of the Homeopathic Pharmacopoeia of the United States.
