

Neutrophil Plus®

Why you may need Neutrophil Plus®: After review of your history and/or laboratory results, your healthcare provider may determine that you could benefit from targeted neutrophil support. Neutrophils, one of the three types of granulocytic white blood cells (leukocytes), are the hallmark of acute inflammation. They serve as key components in the defense against infection and are the most abundant of the white blood cells. Neutrophils are primarily associated with acute bacterial inflammation due to their ability to ingest microorganisms or particles. However, neutrophil activity has also been correlated with coronary, pulmonary and other health issues. Neutrophils, like all leukocytes, have a minimal life span, and thus a high turnover rate. As such, they are extremely vulnerable to minor vitamin, mineral and antioxidant deficiencies.

Why your healthcare practitioner recommends Neutrophil Plus®: Neutrophil Plus® supplies a unique combination of select nutrients including vitamins, minerals and botanical constituents, along with RNA, to provide targeted support for neutrophils and their function. The complex interplay between multiple cell types and intercellular messengers makes nutritional status both subtle and far-reaching, particularly when it involves immune activation. As always, you can count on Biotics Research Corporation to offer superior nutritional products supplying "The Best of Science and Nature".

Supplement Facts

Serving Size: 2 Capsules
Servings Per Container: 45

	Amount Per Serving	% Daily Value
Vitamin A (as palmitate and mixed carotenoids)	4,000 IU	80%
Vitamin C (as mixed ascorbates)	150 mg	250%
Vitamin E (as d-alpha tocopheryl acetate and mixed tocopherols)	15 IU	50%
Calcium (as calcium glycerophosphate)	100 mg	10%
Phosphorus (as calcium glycerophosphate)	75 mg	8%
Zinc (as zinc gluconate)	5 mg	33%
Copper (as copper gluconate)	0.5 mg	25%
Proprietary Blend	430 mg	
Ribonucleic Acid (from yeast)		*
Maitake Mushroom (Grifola frondosa) (aerial part)		*
Chrysanthemum (Chrysanthemum dendranthema) (flower) (extract)		*
Loquat (Eriobotrya japonica) (leaf) (extract)		*
Dyer's-Woad (Isatis indigotica) (root) (extract)		*
Prickly Ash (Zanthoxylum americanum) (bark) (extract)		*
Thyme (Thymus vulgaris) (leaf) (extract)		*
Mullein (Verbascum thapsus) (leaf) (extract)		*
Phragmites (Phragmites australis) (root) (extract)		*
Barberry (Berberis vulgaris) (bark) (extract)		*
Oregon Grape (Mahonia aquifolium) (root) (extract)		*

*Daily Value not established

Other ingredients: Capsule shell (gelatin and water) and magnesium stearate (vegetable source).

RECOMMENDATION: Two (2) capsules two (2) times each day as a dietary supplement or as otherwise directed by a healthcare professional.

Caution: Not recommended for pregnant or lactating women.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry area.

Sealed with an imprinted safety seal for your protection.

NDC #55146-06350 Rev. 9/11
